# KNIGHTS OF COLUMBUS

IN SERVICE TO ONE. IN SERVICE TO ALL.

Father Lally Council 5793, 150 St. Paul Street- Suite 205, Collingwood, Ontario L9Y 3P2  
February 2012

Brothers;

As winter moves on we continue with our work on membership. We should each one of us try to talk to someone we know and talk to them about being a member. We have 4 new candidates who will be taken their First Degree February 28<sup>th</sup> 2012. There will be another First Degree in March which is an opportunity to recruit a couple more. Brothers, it is up to each of us as members to seek new members. This should be a daily opportunity when presented to find someone who is interested in the Knights of Columbus. If you know someone that shows any sign of interest please get his name and phone number to our Membership Director Brother Lorne Winkler. These new members will bring strength and new ideas to our Council.

Our annual Basket Ball Free Throw is over and many Brothers were there to insure all went well. We are thankful for the time these Brothers gave so freely to our Council. If you see these members let them know how well they represented our Council; Brothers Denis Farley, Peter Larose, Michael Farley, Michael Quinn, Kas Watroba, Ed Meyer, Joe Frendo-Cumbo, and of course our Youth Director Chairman Wyatt MacRae. Once again I say to these brothers THANK YOU!!!

February 22<sup>nd</sup> begins our Lenten season. I have often been puzzled by the question what do I give up and that the fact it never seemed to last. I asked about this to a great friend and former Parish Priest Father John Hawkshaw, and in his sociable way he said to me, don't give something up, give some to someone, your time, a helping hand, food to SVDP and that this could be done several times during the Lenten season. I have followed his advice since that day, so I ask is this not a great way of making sacrifices through lent as we look to the greatest sacrifice of all. Our Saviour gave his human life up on Good Friday for us.

Yours in Christ  
Grand Knight  
Michael Dynes

## **Deputy Grand Knights Report**

Dear Brothers

By the time you read this report I and my good wife will be enjoying the warm sun in the Dominican Republic.

As always I hope this finds all of you and your families in good health. Today I had the pleasure of helping in our Annual Basketball Free Throw. First of all a BIG thank you to our Grand Knight Michael for all his leg work and contact with all our area schools to get them to participate. Also another BIG thank you to our Youth Director Wyatt MacRea, and to Brothers Denis and Michael Farley, Michael Quinn, Kas Watroba, Ed Meyer, Peter Larose and Doug Murray. With all your help we gave all the kids a great day. With projects like this we get to show our fraternity and our commitment to help our Parish and community.

Also at this time I would ask all of you to continue to help Brother Michael Phillips with the sale of our raffle tickets.

I would also like to thank Brother Lorne and our Admission committee for their good work! We have four candidates going to the First Degree at the end of February. That is all for now and I ask God to Bless you all.

Best Regards,

Brother Joe.

### **NOTICE OF MOTION**

As a result of a conflict of dates with the Second Degree in Barrie and because only three members of the Council's Executive will be attending the Ordinandi Dinner it is moved that the March General Meeting (previously rescheduled) revert to the originally established date, i.e. the First Tuesday of the month or March 6<sup>th</sup>, 2012.

This will be voted on at the February General Meeting.

## Knight Lites' News

Your Knight Lites have completed another successful year in our ministry of performing for seniors at 5 local retirement and nursing homes on your behalf. They are Blue Mountain Manor in Stayner, Collingwood Nursing Home, Georgian Traditions, Sunset Manor and Bay Haven Nursing Home in Collingwood. Our repertoire was well received and in general all our audiences are left asking for more, or wondering when we will return. In order for us to reach out further in the future, we will have to be creative in our booking department. Presently, our monthly average for performances has been 4 times, and with practices thrown in, it becomes difficult to perform more than that per month. Our totals for 2011 from April to early December included 36 performances plus practices! The year was not easy for our guitarist Brother Cliff Vandale. He had set backs with his health, but managed to finish off the year with flying colours. Cliff has many years of experience, loves music, and loves to perform with us. We are going to let him recuperate further over the winter and hope he can continue to perform next April. Our keyboard player, Dick Miller has moved to Barrie to be closer to his family, and his sacrifice and commitment to the Knight Lites goes way beyond the call of duty, and we really appreciate his effort. Roy Adams has not been at the best of his game health wise either and we hope his health improves next year too. We need his beautiful mellow voice. Rudy has turned the BIG 80 this year, but he continues to be a crowd favourite as our "Tubby the Tuba". How he is able to muster up all the air required to blow into a tuba continues to baffle every Knight Lites member. Denis Farley continues to be our front man with his parading around to the Happy Wanderer and wig get ups. The audience loves his new black and white hair doo and his rendition to Beautiful Brown Eyes. Tony, in addition to improving on his Harmonica is starting to add harmony as our 3<sup>rd</sup> voice. Keep it going Tony – we love your bass notes! I hope we can continue to improve and grow our sound and add new selections to our Play List. I am including a Florida sunset to remind you that spring is on the way....

Respectfully submitted, *Keith Kueneman*

## YOUR SHIELD FOR LIFE

We all know the old adage – the grass seems greener on the other side of the fence. When it comes to replacing your existing Knights of Columbus life insurance with coverage offered by another company, the adage holds true. Perceptions are deceiving. A move to *the other side of the fence* might seem like a good one, but it can leave you with less *green* in your wallet – in some cases, a lot less. That’s why it pays to remember another old saying – *Read the fine print*.

There are many reasons to keep your existing coverage in force, whether that coverage is with the Knights of Columbus or with another company. I’ll focus on the potential pitfalls of replacing coverage here – pitfalls that an agent trying to convince you that the grass actually is greener might neglect to mention.

First, all life insurance contracts contain a *contestability period*, which allows the insurer to contest claims made for a period - typically two years - after the contract is issued. Chances are this is no longer an issue with your current coverage.

Second, it’s unlikely that you can obtain the same amount of coverage, for the same premium, that you were able to obtain with your existing contract. The two factors that determine how much you’ll need to pay for life insurance coverage are age and health. Certainly, you’re older now than you were when you took out your current coverage. There’s no way around that one. And you have to ask yourself, has your health changed during that time? Is your blood pressure the same? Your cholesterol? Have you gained weight? All these factors affect the amount of coverage you’ll get for your premium dollar.

If someone encourages you to replace – or worse, drop - your existing coverage, please call me. I’ll show you how your existing coverage is working for you and why replacement is rarely in your best interest.

## **THE LAST WORD**

In 1966, the year Council 5793 was chartered, I joined the Knights of Columbus in Barrie Ontario. Over the years I have served in almost every office in the executive of a Council more than once. I didn't get to be a Deputy Grand Knight until after being Grand Knight, but that's another story. I enjoyed being DGK to my successor as Grand Knight, who later became State Deputy of Ontario. I also served as DGK for our present District Deputy's second term as our Council's Grand Knight. What you may not know is the number of years I served as the DGK of the First and Second Degree Teams in Council 1626 Barrie. I can assure each one of you that we, as a Council, have lived the principles of our Order of Charity, Unity, Fraternity and Patriotism. What we have accomplished here in the Collingwood area since Father Lally Council's reactivation in 1982 has been significant and praiseworthy! This Council has contributed its considerable labors and resources throughout the community and particularly to both Parishes of St. Mary's and St. Patrick's. Our present Grand Knight and Executive have continued this tradition, and I for one refuse to allow anyone to try to negate their efforts.

Vivat Jesus,

Denis J. Farley, FDD. PGK, FFS, Editor of "Take 5".
